**DEPED COMPUTERIZATION PROGRAM (DCP) BATCHES 29-33 and 20/23B UPDATES**

To: Schools Division Superintendents  
 Information Technology Officers I  
 School Heads of Recipient Schools

The DCP Batches 29-33 and DCP Batch 20/23B units were supposed to be delivered to the recipient schools in 2016 and 2015 respectively, but due to unforeseen circumstances, the schedules were postponed to an indefinite date.

Upon contacting the Information and Communications Technology Services (ICTS) of the Central Office (CO) last month, the following actions for the said DCP Batches shall be expected:

FOR DCP BATCHES 29-33:

- Units are still for procurement according to Mr. Arturo Tuazon, IT Officer II and Officer-In-Charge of DCP.
- Schools are then expected to complete their school readiness requirements and submit their readiness checklist to the Division IT Officers if still unfinished.

FOR DCP BATCHES 20/23B:

- Allotment is included in the 2017 Budget and Procurement process shall commence on the 2<sup>nd</sup> quarter of this year. Smooth flow of processes shall lead to the delivery of the units starting July 2017 according to Mr. Alvin Salcedo of the ICTS.

All recipient schools for the said batches are advised re-evaluate their readiness status and notify the Division IT Officers of issues and concerns as soon as possible to promote the smooth delivery of the packages. Everyone is requested to wait for further notice regarding this.
